Our RV Organizers are BACK this Year! The RV spaces around the IC building are limited and will fill up fast — just like last year we will make every effort to accommodate all rigs and keep clubs together to the best of our ability. After you have made your reservation, have ONE contact person from your club get in contact with either Carla (carla@muttsinmotion.com) or Maria (theskiwizard@gmail.com). For those who camped last year...we retained the RV information on everyone, so please confirm with either Carla or Maria via email if you are same as last year and we will confirm what we have on our spreadsheet for you. If you are new to the camping scene, awesome!...Just send us the following information: 1) Contact person and club name 2) Number and Type of Rig(s) (Trailer, Van, RV, etc.) 3) Length of rig(s) and 4) Date and approx. time you will be arriving. This will help us determine parking some of the bigger rigs and getting everyone in safely. Also, if you have any physical disability requirements, please let us know that too! The Fresno Fairgrounds may change their policies at any time with respect to areas available to us for RV parking. PLEASE NOTE: Mutts in Motion does not guarantee hookups or that all club rigs will be together due to rig size, arrival times, etc. however we will do our very best. We appreciate in advance everyone working together on this – it worked out great last year!

Dry Camping: In the parking lot adjacent to the Industry Commerce Bldg., enter on Kings Canyon.
