**Partial (electrical and some water) Hook-ups:** Located around the Industry Commerce Building Area. *First come first serve on these RV spaces.*

**NEW RV Organizer Randy Tyrrell is ready to help!** The RV spaces around the IC building are limited and will fill up fast — just like last year we will make every effort to accommodate all rigs and keep clubs together to the best of our ability. After you have made your reservation with the Fairgrounds, please have ONE contact person from your club contact [Randy@muttsinmotion.com](mailto:Randy@muttsinmotion.com) no later than **Monday, April 1<sup>st</sup>** with the following information: 1) Contact person and club name 2) Number and Type of Rig(s) (Trailer, Van, RV, etc.) 3) Length of rig(s) and 4) Date and approx. time you will be arriving. This will help us determine parking some of the bigger rigs and getting everyone in safely. Also, if you have any physical disability requirements, please let us know that too! The Fresno Fairgrounds may change their policies at any time with respect to areas available to us for RV parking. PLEASE NOTE: Mutts in Motion does not guarantee hookups or that all club rigs will be together due to rig size, arrival times, etc. however we will do our very best.

**Dry Camping:** In the parking lot adjacent to the Industry Commerce Bldg., enter on Kings Canyon.
